C. M. (Pa. Standard).....	60 lbs	15 85
Imperial (N. Y. Pa. Standard).....	60 lbs	16 45

#### ALSIKE-ALFALFA

The demand for both of these Clovers this year is much larger than usual, due, of course, to the relatively lower prices. With the high price ruling for Red Clover there is every inducement to the farmer to use more of these varieties this year than ever before. Usually they are higher than Red Clover, while this year they are several dollars a bushel cheaper.

#### ALFALFA

IXL (American).....	60 lbs	12 75
Fancy.....	60 lbs	11.50

#### WHITE

### NOTE

Should you want some of the little descriptive booklets, like the one inclosed, for distribution among your farmers, let us know how many you can use to advantage. They contain much valuable information for the farmer.

We, E. W. Conklin & Son, give no warranty, either express or implied, as to description, quality, productiveness, or any other matter of any Seeds we send out, and we will not be in any way responsible for the crop.

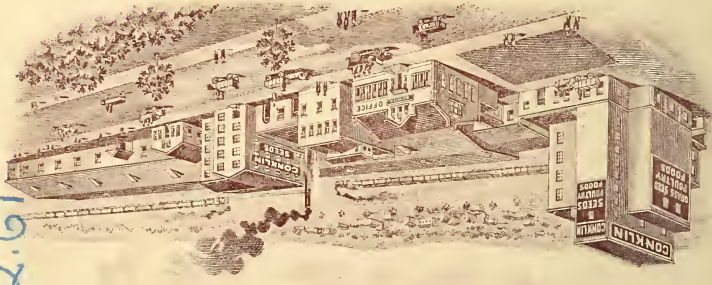

Terms: Demand Draft, Bill of Lading Attached.

E. W. CONKLIN & SON.
